Certificate of Achievement

Cindy Zheng

has completed the:

Level 2 Foundational / Intermediate Future Skills Certificate 2025

This training course helps learners enhance their understanding of future skills and how they can integrate them into their teaching practice. Consisting of 5-hours of blended learning, they participate in interactive, facilitator-led activities, and then complete asynchronous learning content co-designed with leading employers. As a result, they are better equipped to help students develop their Agility and Resilience, as well as plan for potential future careers in tech and the green economy. This certificate acknowledges their dedication to professional growth and commitment to empowering students for success in the future job market.
