Evolve Careers

Certificate of Achievement

ABID ALI

has completed the:

EvolveCareers Accelerator 2025

This experiential online Accelerator helps learners develop critical skills and mindsets for their future career success – Agility, Confidence, Employability, Purpose and Resilience. As well as chart their path into their chosen careers, with unique insight from graduate and early careers talent, recruiters and C-suite executives on what it takes to thrive in their fields. The accelerator is designed in partnership with over 20 leading global employers, and built on insight and research from the 1,000 employers we work with globally.

11 MODULES / 22 HOURS – 100% ONLINE SELF-DIRECTED LEARNING
