Jenishma Jaison

has completed the:

EvolveCareers Accelerator – Future Skills

This experiential online Future Skills learning track helps learners develop critical skills and mindsets for their future career success – Communication, Collaboration, Problem Solving, Agility, Confidence, Accountability, Purpose, Resilience and Goal setting. As well as unique insight from graduate and early careers talent, recruiters and C-suite executives on what it takes to thrive in their fields. The EvolveCareers accelerator product is designed in partnership with over 20 leading global employers and built on insight and research from the 1,000 employers we work with globally.

100% ONLINE SELF-DIRECTED LEARNING
