Certificate of Achievement

ABID ALI

has completed the:

EvolveCareers Accelerator 2025 - Industries

This experiential online Industry Accelerator helps learners to explore their path into their chosen careers – Tech, Green Careers, Professional Services, Entrepreneurship and Law. As well as unique insight from graduate and early careers talent, recruiters and C-suite executives on what it takes to thrive in their fields. The accelerator is designed in partnership with over 20 leading global employers, and built on insight and research from the 1,000 employers we work with globally.

5 MODULES / 5 HOURS – 100% ONLINE SELF-DIRECTED LEARNING
